

Demo Code License

Use the F1 button on any page of a ThinManager wizard to launch Help for that page.

Visit <u>www.thinmanager.com/TechNotes4/01_Intro/Manuals.shtml</u> to download the manual, manual chapters, or the abridged ThinManual.

ThinManager 4.0 has a Demo Code that will give a user a 30 day demo period for testing or can be used to give temporary functionality in an emergency.

Requesting a Demo Code

The ThinManager License site has a link to request a Demo Code.

Automation Control Products www.thinmanager.com Revised 1/8/2010

Select the **Demo Code** link to generate a Demo code.

A successful request will be shown in the browser.

Go to your e-mail program and retrieve the demo code.

Open ThinManager and open the Licensing window by selecting *Install > Licenses* from the menu.

Select the Install Demo Code button to launch the Install Demo Code window.
